

REPTER

The « voice » of the field

POINT INFO

Jeudi 30 novembre
2023

WHO ARE THE REPTER?

**Coordinators from the field teams
(France and International missions)**

who volunteer to be the “voice” of the field

OUR MANDATE

- **To be the “voice” of the field within various Médecins du Monde bodies and help bring headquarters and the field offices in France and abroad closer together.**
- **To improve the way in which the realities of the fields are considered during strategic decision-making.**

- RepTers are **NOT SUBSTITUTE** for other Médecins du Monde bodies
- Are neither staff representatives nor coordinating or mediation bodies

SPECIFICALLY

- **To report, as required, contributions and points of view from the field in relation to any strategic decisions, policies and new organizational approaches.**
- **To make proposals to MdM, as appropriate, to address new issues that have an impact on the field teams.**
